

c1
Cmt adhered thereto, so as to enhance extravasation, implantation, transplantation, invasion and/or migration of said cells in vivo.

c2
57. (Amended) A biological preparation for use in vivo comprising, ex vivo, a tissue or a tissue portion selected from the group consisting of an embryo, a skin graft and a nerve, and a purified, natural or recombinant, glycosaminoglycans degrading enzyme being externally adhered thereto, so as to enhance implantation or transplantation of said tissue or said tissue portion in vivo.

REMARKS

Reconsideration of the above-identified application in view of the amendments above and the remarks following is respectfully requested. Claims 54-57 and 59 now appear in the application.

In view of the above amendments and previously submitted remarks and comments made during the telephonic interviews, it is respectfully submitted that claims 54-57 and 59 are now in condition for allowance.

Prompt notice of allowance is respectfully and earnestly solicited. Should the Examiner wish to discuss the amendment and claims, he is requested to leave a message for Applicant's representative at (703) 415-1581.

Respectfully submitted,

Sol Sheinbein
Attorney for Applicant
Registration No. 25,457

Date: January 28, 2001
